

A Modern Proposal

Choose a topic or situation in society that angers you, upsets you, saddens you, etc....

Who is most NOT responsible for this situation? _____

What is it about the situation that most angers you? _____

What is irony? _____

What are some solutions to your problem that would be ironic? _____

Write a minimum of 1 page paper (400-500 words). First define problem and discuss why it is a problem. Next, in the body of your paper, propose an ironic solution. What is it? How does it work? Why is it a good idea? Be sure to include “expert” testimony, statistics, and other “current data.” Make sure you end your paper with a conclusion. What do people have to look forward to if your plan goes into effect? How will the future be affected positively? End with your “for real” opinion of the situation.
